Get Involved

Mesa Consolidated Water District (Mesa) brings you an award-winning experience like no other. This adult program is for those in the community that are serious about getting involved with important issues concerning our water. Be a part of this historical journey.

Get Educated

There are several critical water issues impacting us locally, regionally, and across the state. Find out what's happening now and what plans are being made for the future. Empower yourself as a consumer.

Get Real

Take action and join us for some candid and real discussions. Mesa staff and guest speakers from other local agencies are ready and willing to help you get informed. Be a part of our program and get answers.

WISG won't cost you a penny! It starts in January and ends in June. Regular meetings are 7:00 p.m. to 8:30 p.m. on the third Wednesday of each month in Mesa's Boardroom.

VIPs tours of local facilities will be offered throughout the program to those wanting to get a look behind the scenes.

Locations, topics, dates, and times are subject to change.
