At its October 9, 2018 Board workshop, the Board received information regarding the design of the Chandler & Croddy Wells and Pipeline Project.

At its January 15, 2019 meeting, the E&O Committee received an update on the Chandler & Croddy Wells and Pipeline Project and information on the preparation of the Mitigated Negative Declaration (MND) in compliance with the California Environmental Quality Act (CEQA).

At its February 19, 2019 meeting, the E&O Committee received an update that the draft MND was prepared in accordance with CEQA guidelines and that the 30-day public review and comment period was to begin.

At its April 11, 2019 meeting, the Board conducted a public hearing and voted to adopt Resolution No. 1522 Mitigated Negative Declaration for Well Nos. 12 and 14 and Pipeline Project.
At its May 27, 2020 meeting, the Board of Directors received information on the plan to award four contracts for the construction of the Chandler & Croddy Wells and Pipeline Project, including Demolition, Well Drilling, Well Equipping, and Pipeline Construction.

BACKGROUND

As part of the 2014 Master Plan, the Board adopted a policy for Mesa Water District’s (Mesa Water) local water supply reliability to be at least 115% of water demand. This requirement will provide Mesa Water with the additional assurance to meet its demands with local groundwater supplies during peak demand periods and when water production facilities are undergoing routine maintenance.

In March 2017, Mesa Water purchased a 0.42-acre lot containing a 10,000 square-foot industrial/commercial building at 4011 West Chandler Avenue in the City of Santa Ana. The lot is located approximately 0.6 miles outside of Mesa Water’s service area and is intended to house a new well that will provide additional water supply and reliability to the District. In August 2017, Mesa Water purchased an additional property at 3120 South Croddy Way in the City of Santa Ana. This property is 0.5 acres and contains a 6,700 square foot industrial/commercial building. This new well site is approximately 0.2 miles outside the District service area. The Class 4 construction cost estimate of the wells and pipeline is approximately $12MM and $2.7MM, respectively. To offset some of the costs of the new wells, staff is working with Orange County Water District on grant funding of $1.6MM.

DISCUSSION

The Chandler & Croddy Wells and Pipeline Project design packages have been completed and are being put into the bid and award process. Phased bid packages include the following:

1. **Demolition**: Request for Bids (RFB) May 21, 2020, Bid Opening June 19, 2020, Request for Award July 2020

2. **Well Drilling**: RFB June 18, 2020, Bid Opening July 29, 2020, Request for Award August 13, 2020

3. **Well Equipping/Site Work**: RFB September 2020, Bid Opening October 2020, Award November 2020

4. **Pipeline Construction**: RFB September 2020, Bid Opening October 2020, Award November 2020

The RFB for demolition was developed and sent to six recommended demolition contractors. A job walk was attended by three contractors. Bids were received from two of the contractors as follows:

</tbody>
</table>

The Engineer’s Estimate for this project is $820,000. Bids have been reviewed by Mesa Water’s design consultant who determined that the difference in the bid results is as follows:

- The economic conditions of the construction industry are readjusting to the ongoing recession;
- Bidding to industry specific demolition contractors in-lieu of a general contractor recognizes significant cost savings; and
- Hazardous material mitigation is less extensive than originally estimated.

Standard Demolition, Inc. brings excellent experience in the demolition industry, and their prior work references have been verified. Staff recommends that the Board consider awarding a contract to Standard Demolition, Inc. for $290,532 and a 10% contingency of $29,053 for an amount not to exceed $319,585 for demolition of the existing buildings at the Chandler and Croddy well site properties.

**FINANCIAL IMPACT**

In Fiscal Year 2021, $7,283,650 is budgeted for the Chandler & Croddy Wells and Pipeline Project construction phase; no funds have been spent to date in this fiscal year.

RECOMMENDATION

Direct staff to draft a resolution for the purpose of amending Resolution No. 1509, Adopting Procedures for Meetings of the Board of Directors.

STRATEGIC PLAN

Goal #1: Provide a safe, abundant, and reliable water supply.
Goal #2: Practice perpetual infrastructure renewal and improvement.
Goal #3: Be financially responsible and transparent.
Goal #4: Increase public awareness about Mesa Water® and about water.
Goal #5: Attract and retain skilled employees.
Goal #6: Provide outstanding customer service.
Goal #7: Actively participate in regional water issues.

PRIOR BOARD ACTION/DISCUSSION

At its March 21, 2015 meeting, the Board of Directors (Board) adopted Resolution No. 1456, Adopting Procedures for Meetings of the Board of Directors.

At its December 5, 2017 meeting, the Executive Committee suggested updates to Resolution No. 1456, Adopting Procedures for Meetings of the Board of Directors.

At its January 9, 2018 meeting, the Executive Committee reviewed the recommended updates to Resolution No. 1456. The Board directed staff to bring Resolution No. 1456, with modifications, to the February 8, 2018 Board meeting for adoption.

At its February 8, 2018 meeting, the Board adopted Resolution No. 1509, Adopting Procedures for Meetings of the Board of Directors, Superseding Resolution No.1456.

DISCUSSION

On April 9, 2020, the Board ratified certain actions taken to date in response to the crisis caused by the COVID-19 pandemic (e.g., Board meetings were modified to a teleconference format consistent with the Governor’s Executive Orders).

In the following months, additional actions have been taken to minimize physical contact for both the Board and staff (e.g., combining three of the District’s committee meetings into one monthly committee meeting, limiting unnecessary contact).

As the public is not attending current meetings in person, a Director has requested staff to agendize the discussion and possible consideration of the amendment of Resolution No. 1509 to provide that regular meetings of the Board shall commence at 3:30 p.m.
FINANCIAL IMPACT

None.

If all of the Board Members are absent from a regular or adjourned regular Board meeting, the District Secretary shall adjourn the meeting pursuant to Government Code Section 54955.

III. **STRUCTURE OF BOARD MEETINGS**

A. **Order of Business.** The Executive Committee shall determine the general order of business for Board meetings, which generally includes these items:

1) Call to Order
2) Pledge of Allegiance
3) Public Comments (see paragraph (B), below)
4) Items to be Added, Removed, or Reordered on the Agenda (see paragraphs C, D, and E, below)
5) Consent Calendar Items
   - Board Schedule
6) Action Items
7) Presentation and Discussion Items
8) Reports
9) Information Items
10) Closed Session(s)
11) Adjournment

B. **Public Comments.**

1. Pursuant to Government Code Section 54954.3(b), the Board hereby determines that reasonable limitations on public comments are necessary in order for the Board to conduct its business within a reasonable time
frame. The right of the public to make comments to the Board must be balanced with the Board's need to have adequate time to consider and take action on items before it.

2. The following procedures shall apply to public comments:

   a. Public comments shall be made from the podium provided (unless a physical disability prevents a member of the public from using the podium).

   b. Public comments shall be limited to three minutes per speaker (unless the President grants additional time to a speaker with consensus of the majority of the Board).

   c. Public comments presented at the beginning of the meeting on items not appearing on that meeting's agenda will be limited to no more than 30 minutes total for all speakers (subject to the Board granting additional time in light of circumstances).

   d. Additional time for public comments regarding items not on the agenda may be provided at the end of the Board meeting, if time permits and with consensus of the majority of the Board.

   e. Public comments regarding items appearing on that meeting's agenda will be limited to no more than 60 minutes total for all speakers. This time limit may be extended by the President with consensus of the majority of the Board.

3. The following notations, which may be changed from time to time, shall be set forth on meeting agendas:

   **Items Not on the Agenda:** Members of the public are invited to address the Board regarding items which are not on the agenda. Each speaker is limited to three minutes. The Board will set aside 30 minutes for public comments on items not on the agenda.

   **Items on the Agenda:** Members of the public may comment on agenda items before action is taken, or after the Board has discussed the item. Each speaker is limited to three minutes. The Board will set aside 60 minutes for public comments for items on the agenda.

   C. **Items to be Added to the Agenda.** The Board may add an item to the agenda for a regular or adjourned regular meeting of the Board after the agenda has been posted, only if the following two conditions are determined by the Board to be true:
1. The Board determines that there is a need for immediate action on an item which cannot reasonably wait for the next regularly scheduled meeting or a special meeting of the Board; and

2. The Board determines that the need for immediate action came to the attention of the Board or staff after the applicable agenda had been posted.

The foregoing determinations require the vote of four of the Board Members or, if four of the Board Members are not present, by a unanimous vote of those Board Members present for the item to be placed on the agenda for the applicable meeting of the Board. Items may not be added to the agenda in the case of a special meeting of the Board.

Upon making the foregoing determinations, the Board may then choose to consider or take action(s) on the referenced item at such point in the agenda as the Board shall direct.

D. **Items to be Removed from the Agenda.** Any Board Member or the General Manager may remove any item of business from a meeting agenda, unless a majority of the Board objects.

E. **Reordering of the Agenda.** Any Board Member may request a change the order of business at any time during the meeting, which shall be granted unless a majority of the Board objects.

F. **Consent Calendar.** Any item of business may be removed from the Consent Calendar by any Board Member, the General Manager or member of the public to permit separate discussion. Such discussion and voting shall take place during the period for Consent Calendar items.

G. **Continue or Table Items.** The Board may, by action of a majority of its members, continue or table action on any particular item for a period of one year.

H. **Resolved Items.** Any item, which has previously been reviewed, discussed, and acted upon by the Board, by way of motion, resolution, ordinance, or assigned and completed by staff shall not appear on the agenda for a Board meeting for reconsideration for the period of one year, unless the Executive Committee places such items on an agenda or such items are placed on an agenda by action of a majority of the Board.

I. **Adding Items to the Agenda.** The District Secretary shall maintain, and present to the Board on a regular basis, an advance schedule of Board meeting topics. The Executive Committee and staff shall determine the agenda for each Board meeting. Any request for the inclusion of an item(s) to
a Board meeting agenda by any Board member or member of the public shall be addressed to the Board President who shall bring the item(s) to the Executive Committee for scheduling. Such item(s) shall be scheduled for the next available Board meeting unless the Executive Committee determines otherwise and notifies the Board member of the reason. The Board specifically reserves the right to change that schedule, or to direct that an item be placed on the agenda of a particular Board meeting. Placing any item on the agenda for the Board's consideration is subject to override by majority action of the Board.

J. Reports From Closed Session. The Board reserves its right to conduct closed sessions as permitted by the provisions of the Brown Act. The Board also reserves its right to give directives and make decisions in closed sessions as permitted by the Brown Act. Notwithstanding paragraph K. below (Closed Sessions Regarding Personnel Matters), it shall be the policy of the Board to make reports of decisions made in closed sessions in open session as permitted and/or required under the provisions of the Brown Act. For matters or issues where decisions cannot be made in closed session, or where the Board so determines, such decisions shall be made in open session. Where reports are made from closed session pursuant to the Brown Act, or where action(s) is taken in open session, a record of such report(s) shall be made, or action(s) taken, which shall be set forth in the minutes of such meeting.

K. Closed Sessions Regarding Personnel Matters. It shall be the policy of the Board that matters relating to Mesa Water personnel generally shall not be discussed in open session in regard to performance evaluations and reviews, personnel records, disciplinary proceedings and similar matters. In the event the Board conducts a closed session pursuant to the applicable provisions of the Brown Act for the evaluation of performance, or similar matters relating to staff, Mesa Water will not make a report from closed session in regard to such personnel matters unless, and until, required under State law.

L. Minutes. The Board hereby directs that minutes of all Board meetings (except for closed sessions during which no minutes shall be taken unless otherwise directed by the Board) shall be prepared by the District Secretary. Such minutes shall include a record of all votes of the Board pursuant to Water Code Section 30526. Upon completion, minutes of all such meetings shall be returned to the Board for review and approval.

M. Transcribing Minutes. The Board hereby finds that additional means of preparing and transcribing the minutes, including recordings, may be used by the District Secretary. It is hereby the directive and determination of the Board that such recordings are not the official minutes or transcripts of such Board meetings.
Any such recordings of any Board meeting made by Mesa Water shall be subject to the provisions of Government Code Section 54953.5(b), or any successor section thereto.

Further, it shall be the directive and policy of the Board that any recordings made by Mesa Water which are used to assist the District Secretary in transcribing the minutes of Board meetings shall be erased or destroyed after 30 days have elapsed since the date of the meeting at which such recording was made.

IV. RULES OF ORDER

A. President. It shall be the policy of the Board that the President shall preside over meetings of the Board where the President is present. The public, Board Members, the General Manager, and staff shall direct questions and comments to, or through, the President.

B. Determination of Acting President. In the absence of the President, the Vice President shall preside over the meeting. In such case, the Vice President shall be the acting President and shall have all powers vested in the President.

In the absence of both the President and the Vice President at a Board meeting, where a meeting includes a quorum of the Board, the Immediate Past President shall act as the acting President for purposes of that Board meeting. The Immediate Past President will have the power of acting President for that meeting. If the Immediate Past President is not present at such meeting, the Board members in attendance shall determine which of their members shall act as President for such meeting.

C. Actions of the Board. Pursuant to Water Code Section 30523, the Board shall take formal action by way of ordinance, resolution or motion. The Board may also act informally as to matters of procedure, scheduling and similar matters by directive to staff or by concurrence of the Board with Board or staff recommendations. Voting on all matters by the Board shall conform to the requirements of the Brown Act and secret balloting or voting shall not be permitted. Unless a vote is unanimous on an item with all Directors present and voting, the votes for, against, absent or abstain as to a matter shall be recorded and listed in the minutes for such Board meeting as required under Water Code Section 30526.

D. Robert’s Rules of Order. The Board hereby references, without adopting, Robert’s Rules of Order as a general guide for procedural matters where such rules may help it more efficiently conduct business at meetings of the Board. However, these Rules of Order shall not be binding on the proceedings of the Board.
V. DOCUMENTATION

A. Posting Agendas. Pursuant to the requirements of Government Code Section 54954.2, the District Secretary shall post, or cause to be posted, notices of Board meetings and/or agendas for all regular, adjourned regular and special meetings of the Board at Mesa Water's business office located at 1965 Placentia Avenue, Costa Mesa, California. The District Secretary may also post agendas, as time permits, at other publicly accessible locations within Mesa Water's service area.

B. Disability-Related Modifications or Accommodations. The following notations shall be set forth on the agendas for all Board meetings open to the public:

"In compliance with California law and the Americans with Disabilities Act, if you need disability-related modifications or accommodations, including auxiliary aids or services in order to participate in the meeting, or if you need the agenda provided in an alternative format, please call the District Secretary at (949) 631-1205. Notification 48 hours prior to the meeting will enable Mesa Water (Mesa Water®) to make reasonable arrangements to accommodate your requests."

"Members of the public desiring to make verbal comments using a translator to present their comments into English shall be provided reasonable time accommodations that are consistent with California law."

C. Distribution of Documentation. Documentation and other materials relating to the Board meeting agenda items shall be distributed to all Board Members in advance of the Board meeting whenever possible. In such regard, Mesa Water shall comply with the requirements of Government Code Section 54957.5.

1. The following notation shall be set forth on the agendas for all meetings open to the public:

"Agenda materials that are public records, which have been distributed to a majority of the Mesa Water Board of Directors (Board), will be available for public inspection at the District Boardroom, 1965 Placentia Avenue, Costa Mesa, CA and on Mesa Water's website at www.MesaWater.org. If materials are distributed to the Board less than 72 hours prior or during the meeting, the materials will be available at the time of the meeting."

2. It shall be the general policy of the Board that documentation furnished to any one Board Member shall also be furnished to, or offered to, all of the remaining Board Members.
Documentation furnished to Board Members relative to agenda items may be furnished without cost to members of the public upon request. However, the Board specifically reserves the right, in accordance with California Law, including Government Code Sections 6257 and 54957.5, to impose reasonable and necessary charges relative to the furnishing of such documentation at such time as the Board determines that it is appropriate or necessary to do so.

D. Introduced Documents. On occasion, a member of the public or a Board Member may introduce a document during a Board meeting. To the extent that it is possible and reasonable to do so, the Board may, at its discretion, after consulting with the District Secretary, provide for copying and redistribution of such document(s) to other interested members of the public during such meeting. However, it is specifically noted that redistribution of such documentation may not be feasible or practical during such meeting. The Board reserves its right, by way of a majority vote of the Board, on a case-by-case basis, to take such action or to make such documentation available after the conclusion of such meeting pursuant to Mesa Water’s Public Records Act Policy.

E. Public Records Requests. In the event that the District receives a request for public records at a Board meeting, it is the District’s policy to respond in a reasonable manner and to comply with the provisions of the California Public Records Act. Further, it is the finding and determination of the Board that Mesa Water’s business needs be conducted in an efficient manner in terms of allocation of staff time and other resources.

Confidential or privileged records that by law may not be disclosed are not subject to disclosure under the California Public Records Act.

F. Disclosure of Closed Session Information.

1. Confidential information (e.g., all hand-written, printed, copied, electronic files or documents, and data, as well as spoken information) received, acquired by, or made available to anyone that pertains to closed sessions held pursuant to the Brown Act, shall not be disclosed to anyone not entitled to receive it pursuant to Government Code Sections 1098 and 54963.

2. Any Board or staff member shall not willfully and knowingly disclose for pecuniary gain, to any other person, confidential information acquired by him or her in the course of his or her official duties pursuant to Government Code Section 1098.

RECOMMENDATION

STRATEGIC PLAN

Goal #3: Be financially responsible and transparent.
Goal #4: Increase public awareness about Mesa Water® and about water.
Goal #6: Provide outstanding customer service.

PRIOR BOARD ACTION/DISCUSSION

At its May 3, 2018 meeting, the Board of Directors (Board) was presented with Mesa Water District’s (Mesa Water) reaccreditation as a “District of Distinction” by California Special Districts Association (CSDA) Public Affairs Field Coordinator Chris Palmer.

DISCUSSION

Mesa Water was recently reaccredited as a “District of Distinction” by the Special District Leadership Foundation (SDLF), the seventh time the District has received this biannual recognition.

SDLF is an independent, non-profit organization formed to promote good governance and best practices among California’s special districts. In 2018, there were approximately 3,000 special districts in California; being designated as a “District of Distinction” placed Mesa Water in the top 2% of special districts in the state.

Additionally, Mesa Water recently received SDLF’s “District Transparency Certificate of Excellence” in recognition of its outstanding efforts to promote transparency and good governance.

Typically, the Board would be presented the two awards in person by a CSDA representative. As travel has been limited to essential business only, this year the awards were received through the mail. Staff will be issuing a press release on Wednesday, July 22, 2020 to share the District’s achievements with its stakeholders and the local community.
