Mesa Water’s constituents include external audiences, such as customers, community members, elected officials, industry colleagues, media, water districts and special districts – as well as internal audiences, such as staff, retirees and Board members.

PRIOR BOARD ACTION/DISCUSSION

At its July 22, 2019 meeting, the Legislative & Public Affairs Committee received a discussion item on the upcoming Neighborhood Chats.

DISCUSSION

Mesa Water District (Mesa Water®) recently hosted Neighborhood Chats - two chats per Mesa Water division having taken place from late July through early September. Mesa Water’s Board of Directors (Board) met with community members residing in each of their divisions for a casual discussion of important issues, including the District’s development of local and reliable water supplies, ongoing water use efficiency efforts, and the exploration of opportunities to serve customers more economically, effectively, and efficiently.

Neighborhood Chats were promoted via existing Mesa Water communication channels, including but not limited to press release, social media, newsletter, postcard and bill insert. The community was encouraged to register for the Neighborhood Chats by visiting Mesa Water’s website.

A total of 81 people attended the recent Neighborhood Chats. There was an average of eight attendees per week night and seven attendees per Saturday.

In support of Goals #4 and #6 of the Boards’ Strategic Plan, staff recommends continuing to host Neighborhood Chats and proposes new chats be held in February/March 2020 and again in June/July 2020.

The proposed dates, times, and locations for the next round of Neighborhood Chats are as follows:
