SUMMARY OF BENEFITS

IV. RETIREMENT BENEFITS:

A. CALIFORNIA PUBLIC EMPLOYEES RETIREMENT SYSTEM (CalPERS)

As a public agency, Mesa Water has enrolled in the California Public Employees Retirement System (CalPERS). **Mesa Water offers employees a 2% @ 55 retirement formula for “classic” members.** The employee’s share of contribution to CalPERS is 7% of base salary per pay period. Mesa Water contributes a percentage of salary specified by CalPERS called the “Employer’s Share” to an employer’s account for the benefit of the employee. This percentage is determined each year by CalPERS based on an actuarial study. The compensation limit for classic members for the 2023 calendar year is \$330,000. Employees with membership dates prior to July 1, 1996, are not impacted by these limits.

Effective January 1, 2013, the Public Employees’ Pension Reform Act (PEPRA) will apply to new members of CalPERS. A new member is defined as any of the following:

- A new hire who is brought into CalPERS membership for the first time on or after 1/1/13, and who has no prior membership in a California public retirement system.
- A new hire who is brought into CalPERS membership for the first time on or after 1/1/13, and who is not eligible for reciprocity with another California public retirement system.
- A member who first established CalPERS membership prior to 1/1/13, and who is rehired by a different CalPERS employer after a break in service of greater than six (6) months.

The benefit formula, final compensation period, maximum pensionable compensation, and member contribution rate for new miscellaneous members under PEPRA is represented in the table below.

Benefit Formula	Miscellaneous 2% at age 62
Final Compensation Period	The average of Pensionable Compensation for 36 month consecutive period of employment.
Member Contribution Rate as a percentage of payroll	8.25% of Reportable Compensation
Maximum Pensionable Compensation	\$ 146,042

All employees hired on or after January 1, 2013, will be subject to CalPERS membership review for applicability of PEPRA.

Vesting-Employee Contributions: An employee becomes vested in CalPERS after five years of full-time employment. This money will remain in the program until retirement or, at the employee’s request, may be withdrawn at time of separation from employment. If the employee leaves Mesa Water prior to vesting in the program, the employee’s contribution may be refunded or left in the account. However, if the individual becomes employed in another public agency participating in CalPERS, the funds remain deposited with CalPERS and the account is then transferred with the employee to the new job.

Part-Time Employees: Mesa Water’s CalPERS retirement contract does not cover temporary or part-time employees until they have worked 1,000 hours of service within a fiscal year (July 1st to June 30th). At the completion of 1,000 hours temporary or part-time employees may be enrolled.

Disability Benefits: The Plan provides for disability benefits if an employee suffers total and permanent disability prior to their normal retirement date and has at least five years of CalPERS service. The amount of the benefit is calculated in accordance with the formula used to determine normal retirement benefits.

This benefit is offered through TASC/Benesyst with the administrative cost paid entirely by Mesa Water.

You may set aside a maximum combined total of **\$8,050** annually on a pretax basis to pay for qualified health care (\$3,050) and dependent day care expenses (\$5,000). However, IRS regulations require that all money contributed to a Flexible Spending Account (FSA) in any plan year only be used to reimburse qualified expenses incurred during that plan year plus a 2 ½ month grace period (through March 15th). **If money is set-aside during the plan year, and is not spent by March 15th, it is forfeited.** It is extremely important to read how this plan works before you decide to participate.

Two types of Flexible Spending Accounts are available. An employee can participate in one or both:

Dependent Day Care Expenses - You may set aside a maximum of up to \$5,000 annually (or \$2,500 if spouse is also participating in plan) on a pre-tax basis to pay for Dependent Day Care expenses for a child under the age of 13, or a family member who is physically or mentally incapable of caring for himself/herself, or for the care of an elderly dependent family member who resides with you. **Employees are eligible to participate upon hire and the waiting period has been waived.**

Health Care Expenses - You may set aside a maximum of \$3,050 (or \$117.30 per pay period) on a pre-tax basis to pay for qualified health care expenses. Examples of qualified expenses include co-payments and deductibles for your group health insurances, including prescriptions, and certain qualified elective medical procedures not normally covered by your health insurance. **Employees must complete one-year of employment with Mesa Water before they are eligible to participate in this benefit.**

Participants have 2 ½ additional months, until March 15, 2024, to use any remaining money not used for health care expenses. The additional 2 ½ months applies only to health care expenses and NOT to dependent care expenses. The deadline to submit 2023 claims for health care expenses is March 30, 2024, and after that date your money will be forfeited if there is still a balance in the account.

Should you need to contact TASC/Benesyst Customer Service, the number is (800) 422-4661.

B. MEDICARE CREDITABLE COVERAGE DISCLOSURE NOTICE

Important Notice from Mesa Water District About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with Mesa Water District and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. Mesa Water District has determined that the prescription drug coverage offered by the CalPERS Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

MESA WATER DISTRICT **SUMMARY OF BENEFITS**

B. MEDICARE CREDITABLE COVERAGE DISCLOSURE NOTICE (Continued)

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current CalPERS coverage will be affected. You cannot have prescription drug coverage under both Medicare and CalPERS. You must not enroll in Medicare Part D if you want to keep your CalPERS coverage.

If you do decide to join a Medicare drug plan and drop your current CalPERS coverage, be aware that you and your dependents will be able to get this coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with Mesa Water District and do not join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following November to join.

G. NEWBORNS' AND MOTHERS' HEALTH PROTECTION ACT

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law

MESA WATER DISTRICT **SUMMARY OF BENEFITS**

generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the Plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

H. AVAILABILITY OF SUMMARY OF BENEFITS & COVERAGE (SBC)

The federal healthcare reform law requires that eligible members of an employer plan receive a Summary of Benefits and Coverage (SBC). The SBC is intended to provide easy-to-read important plan information to individuals, such as common benefit scenarios and definitions for frequently used terms. Upon your request, electronic or printed copies of current SBCs and applicable revisions and amendments can also be obtained at no cost by contacting your HR department, or visiting www.calpers.ca.gov.
