

Presentation and  
Discussion Item 10

# KEY MESSAGE WATER QUALITY

August 23, 2023

# Mesa Water Key Messages

- Mesa Water ambassadors – Board, Managers, Staff
- Part of broader comprehensive outreach program
- Tool for consistency in our brand, voice and messaging
- Rolled out with Staff at July All Hands Meeting

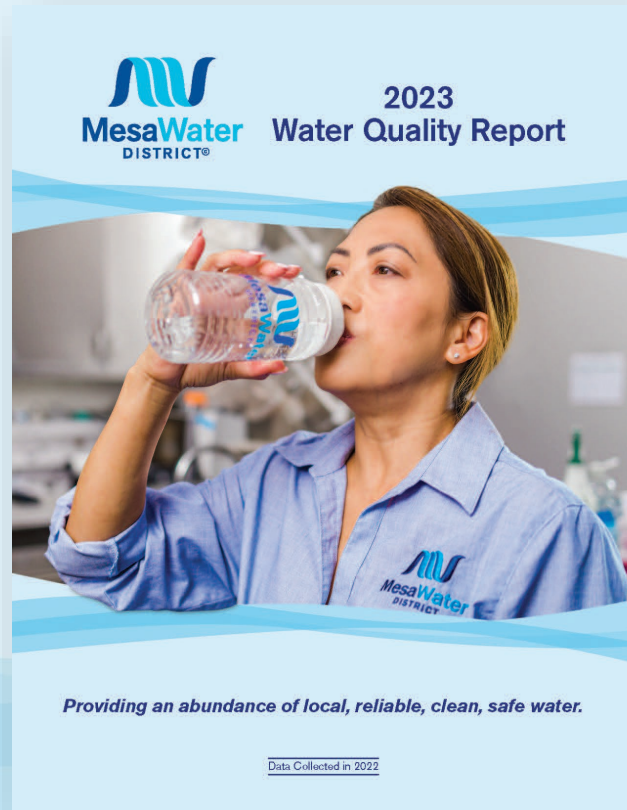

# Mesa Water is Safe

- Mesa Water provides clean, safe water to our customers.
- Mesa Water conducts over 30,000 water quality tests annually to ensure our water meets rigorous drinking water standards.
- Mesa Water provides high-quality water that meets all drinking water regulations.

# Mesa Water is Safe

**For more Information**  
Water Quality Report is available at  
[MesaWater.org/WaterQualityReport](https://MesaWater.org/WaterQualityReport)  
or at our main office.

---

## *Is my water safe?*

Yes. Mesa Water provides clean, safe water to our customers.

---

Thank you.
