Potential Next Steps

1. Take no action
2. Proceed with the design and construction FY 2025
3. Budget for the design and construction of a flagpole at the MWECC in a future fiscal year.

April 23, 2025

Recommendation

Direct staff to design and construct a thirty-foot ground-set flagpole located on Gisler Avenue in front of the Mesa Water Education Center entrance for an amount not to exceed the General Manager's contracting authority.
