Connecting the Community to Our Local Water Supply

Thank you to everyone who joined us for the Mesa Water Education Center Open House! Guests enjoyed interactive exhibits, facility tours and hands-on activities while learning about Mesa Water's 100% local, reliable water supply. If you were unable to attend, the MWEC is open for scheduled visits throughout the year!

Visit MesaWater.org to learn more or email Info@MesaWater.org.

2026 Consumer Confidence Report is Now Available

Mesa Water conducts extensive water quality testing to ensure your 100% local water supply continues to be clean and safe. Mesa Water's 2026 Consumer Confidence Report is now available online. To read the full report, please visit MesaWater.org/ConsumerConfidenceReport.

To request a printed copy, email Info@MesaWater.org or call 949.631.1201 and include your name and mailing address.

Staff Splash: Meet Solan Kedzie

As an Accounting Technician, Solan plays a key role in keeping Mesa Water's financial processes organized and accurate, supporting day-to-day accounting activities across the District.

Is there a project or initiative you're particularly excited about right now?

I'm most excited about the district's upcoming Enterprise Resource Planning (ERP) project. It's not often you get the opportunity to be part of a major system change, and I'm looking forward to seeing how it helps support Mesa Water's work in the years ahead.

Is there anything behind-the-scenes about your work you wish more people knew about?

I wish more people knew how much coordination happens behind the scenes to provide reliable water service. Through accounting, I get to see how many different departments work together to support the District's operations and projects. It's interesting to see how all those pieces connect, and rewarding to play a part in helping everything run smoothly.

If you could swap jobs with another Mesa Water team member for a day, who would it be and why?

I'd probably swap jobs with someone in water operations for a day. Since I work in accounting, I usually see the administrative and financial side of things, so it would be interesting to experience what it's really like in the field. I think it would give me greater appreciation for the work that goes into maintaining the water system and providing reliable service to our customers every day.

When you are not at work, what do you enjoy doing?

Outside of work, I like surfing, camping or spending time at the beach. When I'm not doing that, I enjoy relaxing and recharging.

Lights, Camera, Water! Mesa Water Honors Video Contest Winners

At its May 27 meeting, the Mesa Water Board of Directors recognized the winners of the 2026 Mesa Water Video Contest and awarded prizes for their creative short videos. The contest was open to high school and college students who live in or attend school in Mesa Water's service area. The winners were:

Use a Glass Next Time!

by Emmett Van Berckelaer, Estancia High School

Our Town, Our Tap

by Isaak Askenaze, Orange Coast College

Search for Water

Diego Xahuentitla and Xavier Barrios, Costa Mesa High School

To view the winning videos, visit [@MesaWaterDistrict on YouTube](#).

Teacher Kirby Piazza of Costa Mesa High School also received an Amazon gift card for referring the third-place team.

Stay Hydrated at the OC Fair with Mesa Water

From July 17 through August 16, fairgoers can enjoy crisp, refreshing 100% local water at six free Mesa Water refill stations located throughout the fairgrounds. Bring your empty reusable water bottle and refill throughout the day while enjoying all the fun!
